Day 28

JUNE | 2021

Pakistan

PRAYER FOR THIS COUNTRY

Pakistan has been watching the horrific explosion of COVID-19 in neighboring India with increasing fear and alarm. Preparing for the worst to soon spill over into its borders, Pakistan is calling for more stringent preventative action and increased vaccinations. We speak out over Pakistan that we know that God can do all things; no purpose of His can be thwarted. Pray that Pakistan will come to its senses and recognize its slavery to Islam, and its need for the Saving power of Jesus Christ, Pray that the Church will rise up in intercession and in sharing the Gospel (The Bible, Job 42:2).

MORE ABOUT THIS COUNTRY

With the world's third largest Muslim population, Pakistan is the only country created in the name of Islam. Pakistan is also one of the world's most corrupt countries. Pakistan's political and economic systems are crippled by the interference of refugees and radical Islamists. Pakistan hosts 1.4 million refugees and at least 48 terrorist and extremist groups – including the Taliban, Al Qaeda, and IS. The country's culture of Islamization with its notorious blasphemy laws has led to devastating consequences for Christian Believers.
