JUNE | 2021

Jordan

PRAYER FOR THIS COUNTRY

Almighty God, release Your glorious power over the country of Jordan and order peace among the agitating people. Declare Your glorious acts to the Jordan's 10 million-strong population from Palestinian origin, including some 2.2 million Palestinian refugees registered with the United Nations. Make the countries responsible for upholding peace in the regions and the escalation of the deadly violence to stop. Prevent the provocative offensive actions of the protesting and fighting people and Israeli and Palestinian authorities, and act decisively to deescalate tensions and bring a halt to the violence. Help the Jordanian Christian Believers to deal with the stresses of pandemic-induced unemployment and uncertainty. Powerfully remind them that God is always at work on their behalf. They can be still and silent and see His power and strength bring peace in their lives. Lord, fight for Your people, and make them to be silent (The Bible, Exodus 14:14).
