Day 3

JUNE | 2021

Kuwait

PRAYER FOR THIS COUNTRY

Most high God, we declare to the Christian Believers in the Emirate of Kuwait that the LORD their God is in their midst, a mighty one who will save; He will rejoice over them with gladness; He will quiet them by His love; He will exult over them with loud singing. Bless Kuwait for the shipment of oxygen cylinders, oxygen concentrators, ventilators and other medical supplies sent to India to help the country fight the second wave of CORONAVIRUS. Make the leaders realize that the unilateral approach adopted by some government agencies resulting in no specific mechanism to monitor the numbers of quarantined medical workers and staff and rectify it. Bring many Kuwaitis to the saving knowledge of Christ as Your word says, “for the earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea” (The Bible, Habakkuk 2:14).

MORE ABOUT THIS COUNTRY

Kuwait developed a consensus style government. The Emirate of Kuwait functions as a constitutional monarchy with power vested in the Emir and a parliament. Kuwaiti citizens enjoy one of the highest standards of living in the world today. Along with affluence, there has come a rapid increase in the population, both of expatriate workers as well as Kuwaiti citizens. Presently, over 50 different (non-Kuwaiti) Protestant congregations and language groups meet weekly for worship. There is substantial freedom to worship for expatriates, and there is little direct persecution of God’s people.
