Day 20

JUNE | 2021

Lebanon

PRAYER FOR THIS COUNTRY

Lord, Manifest Your mighty omnipotence in the lives of the Christian Believers in Lebanon. Make them stand firm in faith as the eternal God is a dwelling place, and underneath are the everlasting arms; and He drove out the enemy from before them, and said, 'Destroy! Command the political leaders to live up to their responsibilities and seriously start working on the country's recovery. Let the unprecedented cross-sectarian and nationwide protests that erupted in Lebanon demanding the wholesale removal of the hereditary political barons who have ruled the country for decades to launch a push ahead for a parliamentary election. Authorize the Lebanese Christian Believers to bring the eternal light, Jesus Christ into the lives of many Lebanese people as literally lights may go off this month because cash for electricity generation is running out (The Bible, Deuteronomy 33:27).

MORE ABOUT THIS COUNTRY

Lebanon was a majority Christian nation before 1970, but war, instability and the growing influence of militant Islam prompted many Christians to leave. There is a unique openness to the Gospel among Arab Muslims in Lebanon who have suffered greatly because of the war in Syria. As Lebanon does have a significant Christian population, it has become a haven for persecuted believers throughout the region. In addition to having a reputation of being a free country, Lebanon is highly westernized in urban areas. Those acknowledged as Christians by birth are allowed to worship openly.
