Day 24

JUNE | 2021

Libya

PRAYER FOR THIS COUNTRY

Praises be to You Oh Lord for making the warring parties to reach an agreement that the Tripoli-based Government of National Accord and the Libyan National Army agreed to form the Government of National Unity, offering hope of peace and future stability. Bless the efforts of the Unity Prime Minister Abdelhamid Dbeibeh who worked to win support from Libya's many rival factions, forming a large cabinet that includes an array of ideological and regional figures. Lord, restore Libya's health system on the verge of collapse because of a decade of conflict. Bring in to pass the new peace deal providing a ray of hope that the Norwegian Refugee Council is helping to repair damaged medical centers, providing much-needed healthcare facilities to thousands of Libyans. Great and mighty God, cause the Christian Believers in Libya to hear something like the voice of a great multitude and like the sound of many waters and like the sound of mighty peals of thunder, saying, "Hallelujah! For the Lord our God, the Almighty, reigns." (The Bible, Revelation 19:6).

MORE ABOUT THIS COUNTRY

The top U.N. official for Libya warned that the conflict-torn North African country is at "a decisive turning point", with foreign backers of its rival governments pouring in weapons and the misery of its people compounded by the CORONAVIRUS pandemic that appears to be "spiraling out of control". Its fallout will worsen the humanitarian suffering of Libya's civil war and possibly reconfigure the tempo and geographic scope of the conflict. Early attempts to halt the hostilities in order to deal with the outbreak have faltered; so far, the warring parties and their foreign backers seem committed to escalating the fighting around Tripoli.
