## Niger

### PRAYER FOR THIS COUNTRY

***God of magnificence and might, provide willingness and shrewdness to President Mohamed Bazoum's new administration to prioritize accountability for alleged war crimes committed by all sides in Niger's armed conflict. Let the first democratic transition government of Niger investigate grave abuses and massacre and hold all those responsible to account. Augment the Church with the audacity to cry out alas, sinful nation, people weighed down with iniquity, offspring of evildoers, sons who act corruptly! They have abandoned the Lord, They have despised the Holy One of Israel, they have turned away from Him. Renew the strength of the Christian Believers to give a clarion call to people to repent and turn to God. Batter the increasing unlawful attacks by armed Islamist groups on innocent citizens. Compel and persuade the government to take urgent and bold action to aggressively pursue justice. Save the young girls of Niger as it has the highest rate of child marriage in the world and they are at more risk because of the pandemic. Lord, make the children of Your servants dwell secure; their offspring to be established before You (The Bible, Psalms 102:28).***

### MORE ABOUT THIS COUNTRY

Médecins Sans Frontières began supporting the national response to COVID-19 in Niamey, the epicentre of the new CORONAVIRUS pandemic in Niger. MSF teams that regularly work in several other parts of the country have also implemented a number of measures as the virus spread to other regions. In a context characterized by stigma and violence, there are many challenges to respond to the pandemic.
