## North Korea

### PRAYER FOR THIS COUNTRY

***Immediately after the COVID-19 outbreak first began last year, North Korea closed all of its borders. This seems to have prevented a major outbreak of the virus within its borders, but it is now facing possibly the worst economic crisis the nation has ever known. We speak out over North Korea that Jesus, the Son of Man will one day return. Ask the Lord to move in power and glory across this nation. We declare that those who are hard hearted will mourn, and those who are suffering and seeking for God's intervention will know God's glory (The Bible, Matthew 24:30).***

### MORE ABOUT THIS COUNTRY

One of the most repressive nation on earth for the past couple of decades, historic meetings between North Korea, South Korea and USA leaders prompted hope for change, but none have been forthcoming. Hundreds of thousands of prisoners are held in concentration camps. Experts estimate up to 70,000 of them are Christian Believers. The regime enforces a religion that worships its leaders. Christians face death if found meeting together, even saying the name "Jesus" or possessing a Bible.
