### PRAYER FOR THIS COUNTRY

As we watch the news of Afghanistan since the Taliban's return to power, we read of ethnic Hazaras being evicted from their land, of female judges being forced into hiding, and drug addicts being treated harshly as the Taliban cracks down on the effects of the heroin trade. Today we speak out over Christian Believers in Afghanistan. Pray that He will cause their enemies to make peace with them. We pray that the Lord will speak His peace into the lives and circumstances of Christian Believers, giving them wisdom as they face each day (The Bible, [Proverbs 16:7](#)).

### MORE ABOUT THIS COUNTRY

Afghanistan is perhaps best known as the birthplace of the Islamic extremist group, the Taliban. Originally a group of radical Islamic scholars, the founders of the Taliban intended to bring political and economic stability to the nation after nearly two decades of conflict. However, its radical practices brought oppression and the country's poverty worsened. However, troop withdrawals in mid-2021 saw a rapid collapse and a return of the Taliban to power, prompting this year's most extreme large-scale evacuation of foreigners and vulnerable national staff. The future of this nation appears grim, particularly for Christian Believers, women and girls, and anyone who had been associated with foreign intervention in the last 20 years.
