Day 24

JULY | 2021

Libya

PRAYER FOR THIS COUNTRY

We proclaim Your merciful grace and reign over the country of Libya that though the mountains be shaken and the hills be removed, yet Your unfailing love for the Libyans will not be shaken nor Your covenant of peace be removed. Even as the COVID-19 pandemic continues to be the leading cause of increased anxiety, vulnerability and psychological stress in Libyans, heal them out of their depression and mental health disorders. Bless the involvement of France in reconstructing Libya by improving the business climate along with international help. Protect the migrants returning to Libya in thousands via the dangerous sea route. May them be rescued and returned to the country. Lord, strengthen the weary and worn out Christian Believers in Libya lashed by storms and trying to build their lives out of the ruins (The Bible, Isaiah 54:10-12).

MORE ABOUT THIS COUNTRY

The top U.N. official for Libya warned that the conflict-torn North African country is at “a decisive turning point”, with foreign backers of its rival governments pouring in weapons and the misery of its people compounded by the CORONAVIRUS pandemic that appears to be “spiraling out of control”. Its fallout will worsen the humanitarian suffering of Libya’s civil war and possibly reconfigure the tempo and geographic scope of the conflict. Early attempts to halt the hostilities in order to deal with the outbreak have faltered; so far, the warring parties and their foreign backers seem committed to escalating the fighting around Tripoli.
