JULY | 2021

Syria

PRAYER FOR THIS COUNTRY

Lord, draw Your people, the Christian Believers, closer to You who are called by Your name, to humble themselves and pray and seek Your face and turn from their wicked ways; then You will hear from heaven, and You will forgive their sin and will heal their land. Save the suffering Syrians, as aid agencies are warning of a looming humanitarian catastrophe if the UN Security Council fails to renew a resolution allowing lifesaving aid delivered cross-border to reach Syria. Let the government protect the one million people at stake without the critical medical supplies and COVID-19 vaccinations. Help the government to renew the resolution with the UN to continue to receive the aids. May the government advise the Syrians who have lived through a 10-year war and do not seem to bother about the precautions against COVID-19, to adhere to public safety guidelines (The Bible, 2 Chronicles 7:14).

MORE ABOUT THIS COUNTRY

The current president of Syria is Bashar al-Assad and the prime minister is Imad Khamis. The United Nations has raised concerns over the widespread transmission of the new CORONAVIRUS in war-torn Syria, where healthcare facilities are under increasing pressure and limited testing is obscuring the real extent of the pandemic. Syrian authorities are failing to protect health workers at the front line of the Covid-19 pandemic in government-held territory, Human Rights Watch said.
