Day 13

JULY | 2021

PRAYER FOR THIS COUNTRY

Lord, be exalted and Your glory manifested in the country of United Arab Emirates. Grant Your grace to the suffering Christian Believers. You have established Your throne for judgment, and You will judge the world in righteousness; You will execute judgment for the peoples with equity. The UAE established ties with Israel last year in a U.S.-brokered deal called the Abraham Accords. Hopefully it will help break what had been a long-standing taboo in the region. The CORONAVIRUS pandemic hit the Gulf state's economy and underscored its linkages to global trade. May its focus shift from robust intervention to economic diplomacy. Bless the ties between the UAE and India as they have strengthened during the pandemic. It reflects in the continued support both countries provide to each other. Inspire the Few Christian Believers in the country to proclaim the principle of the Kingdom of God and turn the lives of many to Christ (The Bible, Psalm 9:7-8).

MORE ABOUT THIS COUNTRY

The UAE is a federation of seven states, called emirates, ruled by tribal chiefs called Sheiks or Emirs. The UAE has approved the use of emergency authorization of the CORONAVIRUS vaccine to at-risk workers. In a series of tweets, UAE allowed the emergency use of COVID-19 vaccine saying one of the very first doses will be available to “first defense” workers who are at risk. UAE’s move to allow emergency use of the vaccine seems to have been motivated towards curbing the virus to spread further but the risk involved in the move cannot be ignored too.
