### PRAYER FOR THIS COUNTRY

***We encourage the weary and war torn Yemini to pay attention to God, O His people, And give ear to Him, O His nation; For a law will go forth from Him, And He will set His justice for a light of the peoples. "His righteousness is near, His salvation has gone forth, And His arms will judge the peoples; The coastlands will wait for Him, And for His arm they will wait expectantly." Enlighten the minds and hearts of the Yemini Christian Believers to realize that they belong to the Kingdom of God, and may they manifest God's glorious rule in their nation. Bless the Omni move along with the international efforts trying to bridge the gap between the warring sides in Yemen. Push forward the peace process and advance the humanitarian situation. Subject the Iran-aligned Houthis to Your control and command them to take steps toward ending the brutal conflict and calling for a ceasefire. Mighty God, bring to end to the seven-year conflict that has brought unimaginable suffering to the Yemini people and help them rebuild their lives (The Bible, [Isaiah 51:4-5](#)).***

### MORE ABOUT THIS COUNTRY

Yemen is one of the poorest countries in the Middle East and has faced decades of instability. Civil war has gripped the country and left the people in desperate need of humanitarian aid. Millions of people face shortages of food and water, and less than half the country's health facilities are operational. Approximately 16.4 million people currently have no access to healthcare. Cities are continuing to be bombed and the infrastructure is collapsing. There is severe famine in parts of the country. The humanitarian crisis in Yemen is severe as many are starving or on the verge of having nothing to eat. Malnutrition and infant mortality is becoming normal.
