Day 4

AUGUST | 2021

Guinea-Bissau

PRAYER FOR THIS COUNTRY

Direct the government of Guinea-Bissau to ensure safety of the people as it has decided to extend the state of alert in the country due to more cases of Covid-19. Save the people of Guinea-Bissau from the third wave of the ravaging pandemic with the affected cases increasing. Bless the bilateral relations between India and Guinea Bissau making plans to expand trade basket, organization of business delegations and road shows, both in-person, and on virtual platforms. Let many young people of Guinea Bissau benefit from the capacity by building support with scholarships, skill development trainings by India. Ignite passion in the hearts of the young Christian Believers to praise the Lord their Rock, who trains their hands for war, their fingers for battle. He is their loving God and their fortress, their stronghold and their deliverer, their shield, in whom they take refuge, who subdues peoples under them (The Bible, Psalm 144:1-2).

MORE ABOUT THIS COUNTRY

One of the world's poorest countries, Guinea-Bissau relies on revenues from raising a cashew crop to feed most families, and its economy depends greatly on foreign aid. Outside of the agricultural sector, the government struggles to pay its workers. There are suspicions that the country aids the Latin American cocaine trade as the narcotic reaches Europe. Freedom of religion exists in Guinea-Bissau; however, an animistic Islam dominates the greater culture, particularly in the north and east.
