Day 2

AUGUST | 2021

Sudan

PRAYER FOR THIS COUNTRY

Lord make the Christian Believers in Sudan realize that the weapons they fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds, tear down arguments and every pretension that sets itself up against the knowledge of God, and to take captive every thought to make it obedient to Christ. Raise an army of children activists to fight the cause of millions of children in Sudan desperately in need of humanitarian support. Bring an end to the bouts of violence and conflict, recurring floods, droughts and other extreme weather events fueled by climate change, and a deepening economic crisis.

Empower the leaders and the new government for reaching a major milestone in Sudan's economic development by accessing with the billions of dollars of fresh funding from multilateral organizations, to spend on healthcare and education, improving the lives of its people and helping the transition towards democracy (The Bible, 2 Corinthians 10:4-5).

MORE ABOUT THIS COUNTRY

President Omar Hassan al-Bashir, a dictator known for brutal policies against Christians has been forced to step down in Sudan after 30 years in power. Bashir's military is also responsible for bombing civilians in the Nuba Mountains, where a significant Christian minority lives. Christians there are often subject to brutal treatment from the surrounding culture and from authorities; conversion from Islam to Christianity is punishable by death. Church buildings are regularly attacked and burned. The Christian community in Sudan is waiting and watching the uncertain future along with the rest of the world.
