Day 17

OCTOBER | 2021

China

PRAYER FOR THIS COUNTRY

The world's most populous country, China is also the world's second largest by land area. With a focus on nationalism, the Communist government tries to maintain social order by prohibiting large meetings and some social media sites. Mission organizations say that the church is the largest social force in China not controlled by the Communist Party. Authorities have continued their harshest crack down on Christianity since the Cultural Revolution. Many expatriate Christian workers have had to leave as a result. Even the Bible is being "rewritten" to better reflect the government's communist worldview. Relations between China and the international community have been strained in the last year due to its increasing intervention in Hong Kong, Taiwan and the South China Sea. Relations between China and the USA and Australia are also at their lowest point in decades. The first known and reported cases of the COVID-19 virus came from China in late 2019 and have since spread around the world.

Praise Report

Praise God that despite the harsh crackdown on the Church in the last couple of years, it continues to grow in number and vision to reach the nation with the Gospel (The Bible, [Luke 19:10](#)).

Prayer Requests

Bless church leaders with supernatural wisdom in these days. Bless them also to persevere in the face of difficult times (The Bible, [James 1:12](#)).

Pray for the poor, vulnerable and marginalized to find that Jesus knows them, loves them, redeems them, and changes their lives (The Bible, [Psalm 103:4](#)).

Call to Salvation

Pray for the young generation of Chinese to experience a hunger for truth and freedom that leads them to salvation (The Bible, [Luke 6:21](#)).
