### PRAYER FOR THIS COUNTRY

***Lord, armor Syrian Christian Believers with all spiritual armaments to fight against honor killing in northeast Syria and stop further murders of young women. Embolden them to instigate proper insight in the corrupted minds of people and impact them to say “no” to violence in the country. Stir up the minds of people to condemn the crimes in the name of tradition or religion and uphold the rights and freedom of women. Instruct the authorities for the delivery of humanitarian aid to rebel-held northwest Syria to try to alleviate the humanitarian crisis due to Syrian civil war. Cease the armed conflict and civil unrest and bring a lasting peace in the life of people. Make the Churches confess that they will stumble repeatedly; they will fall over each other. They will say, ‘Get up, let us go back to our own people and our native lands, away from the sword of the oppressor (The Bible, Jeremiah 46:16).***

### MORE ABOUT THIS COUNTRY

The current president of Syria is Bashar al-Assad and the prime minister is Imad Khamis. The United Nations has raised concerns over the widespread transmission of the new CORONAVIRUS in war-torn Syria, where healthcare facilities are under increasing pressure and limited testing is obscuring the real extent of the pandemic. Syrian authorities are failing to protect health workers at the front line of the Covid-19 pandemic in government-held territory, Human Rights Watch said.
