Day 2

OCTOBER | 2021

Afghanistan

PRAYER FOR THIS COUNTRY

Afghanistan is perhaps best known as the birthplace of Islamic extremist group, the Taliban. Originally a group of radical Islamic scholars, the founders of the Taliban intended to bring political and economic stability to the nation after nearly two decades of conflict. However, its radical practices brought oppression and the country's poverty worsened. The subsequent 20 years of military intervention from international troops protected the development of an elected government. However, troop withdrawals in mid-2021 saw a rapid collapse and a return of the Taliban to power, prompting this year's most extreme large-scale evacuation of foreigners and vulnerable national staff. The future of this nation appears grim, particularly for Christian Believers, women and girls, and anyone who had been associated with foreign intervention in the last 20 years.

Praise Report

Praise God for all that was able to take place in the last 20 years, including the education of a generation of girls and women, and the opportunity for the Gospel to be widely shared resulting in significant Church growth both within Afghanistan (The Bible, [Acts 13:49](#)).

Prayer Requests

Pray that God's Kingdom will rule and reign in this nation, despite the Taliban's control. Pray for the protection of Christian Believers. Pray that many people who are afraid will turn to Jesus and find Him to be our ever-present help in time of need (The Bible, [Psalm 46:1](#)).

Pray that access to the internet, satellite tv and mobile phone networks will not be cut off. These are primary means that the Gospel has been shared and people have been disciplined (The Bible, [Matthew 9:31](#)).

Call to Salvation

We declare over this nation that Jesus is the way, truth, and life. We speak out God's abundant life that brings hope, security and peace that the people of Afghanistan so desperately need (The Bible, [John 14:6](#)).
