Day 3

OCTOBER | 2021

Bangladesh

PRAYER FOR THIS COUNTRY

The third largest Muslim majority country in the world, Bangladesh, is densely populated. Corruption and widespread human rights abuses remain challenges. The nation's politics continues its slow slide from the pro-independence protest movement of the late 1960s, towards an increasingly one-party dominated political horizon. Despite persecution against Christian Believers, the Church has grown in faith, boldness and numbers. Bangladesh continues to host most of the world's Rohingya refugees from Myanmar, one of the largest and most devastating refugee crises in recent years. The COVID-19 pandemic has been very damaging for Bangladesh's economic, social and healthcare sectors.

Praise Report

Praise the Lord that sports ministry has been one effective way for Christians to develop relationships in the community and share the Gospel message widely (The Bible, [1 John 3:18](#)).

Prayer Requests

Pray for God's mercy and provision for this nation amid the COVID-19 pandemic. Pray that Christian Believers will find many ways to share generously, meeting both physical and material needs as well as spiritual ones (The Bible, [Acts 4:32](#)).

Pray for the protection of those who are vulnerable and marginalized. Pray for women and children, the desperately poor. May the Church rise to bless those and protect those who need it most (The Bible, [Psalm 12:5](#)).

Call to Salvation

Father, today we ask for the nation of Bangladesh as an inheritance. Please break them free from the powers of Islam (The Bible, [Psalm 2:8](#)).

MORE ABOUT THIS COUNTRY

The third largest Muslim majority country in the world, Bangladesh, is densely populated. Corruption and widespread human rights abuses remain challenges. The nation's politics continues its slow slide from the pro-independence protest movement of the late 1960s towards an increasingly one-party dominated political horizon. This year protests gathered in the capital against the forced disappearances of almost 500 people. Despite persecution against Christian Believers, the Church has grown in faith, boldness and numbers.
