## Day 16

---

OCTOBER | 2021

### Israel

---

#### PRAYER FOR THIS COUNTRY

Israel is a republic with a president as head of state. However, the president's powers are largely ceremonial; the prime minister holds the executive power. Isaac Herzog is the Israel President and Incumbent Naftali Bennett is serving as Prime Minister from 13 June 2021. Tensions between the nation of Israel and Palestine have existed for more than a century. Ever since the 20th century, the two nations have had to contest over land, especially in post-WWII in 1948 when Israel was established as a Jewish state in the area in which it surrounds today. But most recently, the group Hamas, frustrated with the restrictions placed on them by Israel, fired rockets close to Jerusalem. Israel retaliated. Violent clashes over Jerusalem escalated dramatically with Gaza and many were killed by Israeli airstrikes launched after Palestinian militant groups fired rockets close to Jerusalem.

#### Praise Report

Praise God that the Israeli army's Home Front Command, Gordin is now overseeing the military's CORONAVIRUS "task force", to bring one of the developed world's worst outbreaks under control (The Bible, [Ecclesiastes 2:3](#)).

#### Prayer Request

Declare God's glorious Omnipotence over Israel and lift up the nation in prayer and all those involved in the conflict, that the Lord will provide protection, peace, and safety for those caught in the crossfire (The Bible, [Luke 10:19](#)).

Pray that a resolution will be attained and the multiple armed conflicts, ethnic and religious disputes and failed peace accords will come to an end (The Bible, [Proverbs 1:33](#)).

## Call to Salvation

We pronounce Aaronic blessings over the Israelites that they will turn to the Lord so the veil will be taken away and their spiritual blindness will be removed. Make the Chosen People and the Promised Land of scripture stand as testaments to the faithfulness of God's promises. (The Bible, Numbers 6:24-26).

## MORE ABOUT THIS COUNTRY

Israel is a source of division and contention, both in the world and in the Church. Modern analysts can perhaps look to the deep-seated antagonism between Jew and Arab as an outgrowth of tribal hatreds born centuries ago, even reaching back to the children of the Patriarch Abraham. Christianity's emergence from the root of Israel has led to a confusion of relationship that has shifted like sand through the years, ranging from love and respect to outright persecution. The founding of the State of Israel in 1948 was an astonishing fulfilment of Biblical prophecy and those events surrounding Israel are key to understanding the Last Days.
