## Chad

### PRAYER FOR THIS COUNTRY

We declare God's powerful peace over the hearts and lives of the Chadians and the leaders as Chad's interim parliament. Chad is preparing for civilian rule. The Chadian government plans to enlarge its army because of security challenges, especially threats from Islamist militants. They hope to have strong elite military units that can address these challenges. We pray against the violence led by jihadist groups in the Lake Chad area attacking troops and civilians. Bless the efforts of Chad's defense ministry that is beginning to recruit and train professional soldiers. Let the battle efforts against Boko Haram, the militants linked to al Qaeda, and the Islamic State be completely successful. Lord make the Christian Believers confidently proclaim that the Lord gives victory to His anointed. He answers them from His heavenly sanctuary with the victorious power of His right hand (The Bible, [Psalm 20:6](#)).

### MORE ABOUT THIS COUNTRY

Idriss Déby is the present president and Albert Pahimi Padacké is the current Prime Minister of Chad since 26 April 2021. The government is a unitary state with a Presidential system. Chad is landlocked in the middle of the continent and is bordered by six neighboring countries. Chad's population is unevenly distributed in large part due to the variations in climate and physical geography throughout the country. With its fresh water, Lake Chad draws most of Chad's over 17 million people to the southwest.
