Day 29

NOVEMBER | 2021

Nigeria

PRAYER FOR THIS COUNTRY
We pronounce the saving grace and peace of God over the country and people of Nigeria. We thank God that Nigerian security agents have rescued nearly 200 kidnapped people during raids on camps of criminal gangs in the country's northwest. We pray against the atrocities of armed criminal gangs which have plagued Nigeria's northwestern and central states by raiding and looting villages. They kidnap the innocent, often charging such high ransoms that the local people are economically devastated. Lord bless the plan to sign three agreements in the mining and energy sectors by Nigeria with Turkey. Pray for Nigerian leaders like President Muhammadu Buhari to stop damaging their own technology industry through bans and operational restrictions. Lord empower the Christian Believers and young people to believe that the God of peace will soon crush Satan under their feet. May the grace of our Lord Jesus Christ be with them (The Bible, Romans 16:20).

MORE ABOUT THIS COUNTRY
Nigeria is listed in 9th position in the World Watch report 2021 by Open Doors for Christian persecution. Muhammadu Buhari is the president of Nigeria. It is Africa's most populous country. The diversity is represented in 544 people groups. Mangroves and tropical forests are in the south, savanna and grasslands are found in the north. Wetlands along the coast parallel this diversity. Striking differences also exist between the majority Muslim and feudal north and the largely Christian and more developed south. Deep ethnic and religious divisions threaten the nation as a whole. Constant tensions exist between tribal rivalries – particularly in the north and central states where Muslims and Christians coexist. Years of devastating violence by Boko Haram has left roughly 20,000 dead and displaced millions.
