PRAYER FOR THIS COUNTRY

We declare God's prevailing peace over Syria. U.S. President Joe Biden recently renewed a declaration of national emergency in Syria because of recent violence. Lord empowers leaders to tackle the unusual and extraordinary threat to national security in Syria. International police organization, Interpol, had allowed Syria to take part in its information exchange network. This move was not welcomed by human rights activists. Syria had been barred since 2012 because of President Bashar al-Assad's brutal regime. Lord encourage and comfort the suffering Christian Believers in war-ridden Syria to believe in Your promises that in You they may have peace. In the world, they will have tribulation. But to take heart; You have overcome the world (The Bible, [John 16:33](#)).

MORE ABOUT THIS COUNTRY

Syria is listed in 12th position in the World Watch report 2021 by Open Doors for Christian persecution. The current president of Syria is Bashar al-Assad and the prime minister is Hussein Arnous since 11 June 2020. Syria has been shattered and decimated by war, violence, and terrorism in recent years. Multitudes have lost their lives. Millions have been forced from their homes, leading to a mass humanitarian crisis of historic proportions. Civil war has become a much more complex and multifaceted conflict. The many warring factions are armed opposition groups, rebels, the Islamic State, and the Kurds. Numerous war crimes, such as the use of chemical warfare, have been reported on all sides, leading to unspeakable horrors among Syrian civilians. The Islamic State has capitalized on Syria's instability and chaos and started taking control of huge areas across northern and eastern Syria. The terrorized people of Syria further suffer from the IS-caused terror, and the war has caused the displacement of over six million people within Syria.
