## Tunisia

### PRAYER FOR THIS COUNTRY

We declare God's providential rule over Tunisia's new president Kais Saied. There has been much pushback against him since he seized power. Najla Bouden Romdhane has been named Tunisia's first-ever female prime minister. Lord counsels the Christian Believers not to pay back anyone for their evil actions with evil actions but to show respect to all. If possible, to the best of their ability, may they live at peace with all people. Make them believe that God can help them solve their problems, as He can be there to lighten their load and help them find peace in trying times (The Bible, Romans 12: 17-18).

### MORE ABOUT THIS COUNTRY

Tunisia is listed in 26<sup>th</sup> position in the World Watch report 2021 by Open Doors for Christian persecution. The current President of Tunisia is Kais Saied and the Prime Minister is Najla Bouden Romdhane, the first woman Prime Minister of the country. Modern Tunisians are the descendants of indigenous Berbers and people from numerous civilizations that have invaded or migrated to Tunisia. The Arab Spring enabled the country to have one of the most progressive and open societies in the Arab world. Tunisians felt frustrated by high unemployment, corruption, political oppression, and poor living conditions. Protests led to government changes and inspired similar protests across the whole Arab world. Tunisia's new constitution is truly progressive, and positive fruit came from the suffering of the Arab Spring. However, unemployment and economic decline remain big challenges to the new government.
