### Iraq

#### PRAYER FOR THIS COUNTRY

Lord convict Iraqi leaders of the corruption deeply entrenched in their country. President Barham Salih recently estimated that \$150 billion has escaped the country due to corruption. Give Iraq honest leaders as it holds legislative election

Iraq is still a nation wracked by violence. They face water and food shortages. Part of the problem is climate change, but the other part has its roots in the never-ending fighting that prevents them from productive work like growing food. May the Iraqis desperately call upon God to change them so they can meet their own needs. We magnify God's matchless name over Iraq. May the Holy Spirit reinforce God's promises in their troubled minds so that His children may have peace in Him. In the world, they will have tribulation, but they must take courage; they can overcome the world. (The Bible, [John 16:33](#))

s. Build the country of Iraq from the ruins after they endured frequent wars since the early 1980s. We declare the mighty peace of God as the run-up to the country's fifth general election calls attention to a political system dominated by force and money. Iraq is still largely divided along ethnic and religious lines. Instruct them to shun evil and do good; seek peace and chase after it (The Bible, [1 Peter 3:11](#)).
