Day 4

DECEMBER | 2021

Guinea-Bissau

PRAYER FOR THIS COUNTRY

Guinea-Bissau needs a government that will bring just rule and mercy. They need their ties and treaties with other countries to bring about economic stability. We declare God's mighty rule over Guinea Bissau. May He show His majestic works and righteousness through the lives of Christian Believers. These believers can declare to their nation that God is with us (The Bible, [Psalm 111:3](#)).

MORE ABOUT THIS COUNTRY

Umaro Sissoco Embaló is the President of the Republic of Guinea-Bissau since 27 February 2020. Nuno Gomes Nabiam is the Prime Minister since 28 February 2020. Guinea-Bissau is one of the world's poorest countries, relying on revenues from raising a cashew crop to feed most families, and its economy depends greatly on foreign aid. Outside of the agricultural sector, the government struggles to pay its workers. There are suspicions that the country aids the Latin American cocaine trade as the narcotic reaches Europe.
