PRAYER FOR THIS COUNTRY

Praise Report

Praise God for Christian ministries that have continued to flourish during the last year, effectively sharing Christian witness among the people of Albania. Pray that the seeds sown will bear fruit (The Bible, John 15:4).

Prayer Requests

Pray that corruption will be dismantled and justice be carried out in every area of life and community from the government to ordinary businesses, schools, and hospitals (The Bible, Daniel 6:4).

Ask God to create many opportunities for Christian Believers to share their faith and personal testimony in their workplaces with those who may be interested to know more about Jesus (The Bible, Daniel 12:3).

Call to Salvation

Pray that Christians in Albania will be trained in effective evangelism to share their faith with their neighbors and friends (The Bible, 1 Corinthians 1:17).

MORE ABOUT THIS COUNTRY

Albania was once the poorest nation in Europe but has been working hard to transform its economy in the last decade. Regardless of the devastating earthquake in November 2019 and the COVID-19 pandemic, Albania made a robust recovery during 2021, though the war in Ukraine may slow the progress this year. Despite having a well-known mob, Albania made notable steps in combating drugs, weapons, and human trafficking. The

process of Albania's accession to the European Union is ongoing. Under Communist rule, no religion was allowed. Now, Islam claims twice as many followers as Christianity. Christian Believers enjoy worshipping openly in a country that once restricted religious freedom, although, most who claim Christianity are reported to be nominal in their faith.
