PRAYER FOR THIS COUNTRY

Praise Report

Praise God for the Church fellowships that continue to meet in the southern regions. Pray that Christian Believers will experience the presence of God in their lives bringing encouragement and strength to others (The Bible, [2 Timothy 2:1](#)).

Prayer Requests

We declare God's favor upon the Christians Malians to increase in their faith, that they will hold the keys to the spread of the Gospel in this hard-to-reach nation (The Bible, [Colossians 4:2-6](#)).

We earnestly intercede for the government leaders to humble themselves, repent of their wicked ways, and seek God for the wisdom needed to bring breakthroughs for the future of their nation (The Bible, [Psalm 140:4](#)).

Call to Salvation

We proclaim the mighty move of the Holy Spirit in the hearts and lives of Malians who have lost hope that nothing will bring change in their nation. We ask that in their desperation they will cry out to God and find salvation and hope in Him alone (The Bible, [Proverbs 24:14](#)).

MORE ABOUT THIS COUNTRY

Mali has jumped four points up and is listed in 24th position in the World Watch report 2022 by Open Doors for Christian persecution. Malians continue to live under the threat of Islamic extremist groups that took control of the country's northern region. Pressure against the Churches is rising, and missionaries are at constant risk of abduction.

President of the Republic of Mali is incumbent Assimi Goïta Interim since 24 May 2021 and Colonel Abdoulaye Maïga, since 21 August 2022. Mali struggles to keep peace with ever-present tribal tensions, and the presence of many radical Islamic militant groups in the north. The Malian government and northern armed groups signed an internationally mediated peace accord. Although a secular state with religious freedom, Islamization severely hampers opportunities to reach Malians. The northern regions are home to at least three known Islamic terror groups and are nearly impossible for the government and security forces to police.
