PRAYER FOR THIS COUNTRY

The State Department approved a \$3 billion medium-range missile defence system sale for Kuwait. The weapon is manufactured as a joint venture between U.S.-based Raytheon Technologies and Norway's Kongsberg Defence and Aerospace, though the principal contractor on the Kuwait sale is Raytheon. The move paves the way for Kuwait to get the National Advanced Surface-to-Air Missile System. The United States itself uses NASAMS to protect the airspace over the White House and the Pentagon. Thank God that Congress has advanced legislation in recent months to hasten the slow-moving delivery of weapons to customers across the world. Pray for Kuwaitis to turn to God for protection for their souls(The Bible, [Psalm 5:11](#)).

MORE ABOUT THIS COUNTRY

Kuwait moved down a little to 49th position in the World Watch report 2022 by Open Doors for Christian persecution. Sabah Al-Ahmad Al-Jaber Al-Sabah is the current emir in Kuwait. It is a very small country with the capital city – Kuwait City- being the center of all activities. It has developed a consensus-style government. The Emirate of Kuwait functions as a constitutional monarchy with power vested in the Emir and a parliament. Kuwaiti citizens enjoy one of the highest standards of living in the world today. Kuwait has a relatively liberal Islamic regime. Kuwaiti citizens are nearly all Muslim. Christians face risks, especially converts from Islam to Christianity. They face discrimination and harassment from their family and community.
