Day 24

NOVEMBER | 2022

Libya

PRAYER FOR THIS COUNTRY

Libyan Prime Minister Abdul Hamid Dbeibah met with the United Nations special envoy for Libya Abdoulaye Bathily in the capital Tripoli and discussed the latest developments in the country. Violence, since reaching a cease-fire in 2020, hit amid military build-ups by forces affiliated with Dbeibah and Bashagha, as both figures claim power and authority in the country. Dbeibah presented his vision of options to promote peace and stability in the country. Bathily confirmed that he will communicate with all Libyan people, including women and youth, across the country to hear their views on restoring peace and stability in Libya. Pray for the Libyan people to provide the solution to the crisis in the country. Pray that God will liberate Libya from chaos, fill the power vacuum, and help the Libyans to live free (The Bible, [John 8:36](#)).

MORE ABOUT THIS COUNTRY

Libya remains in 4th position in the World Watch report 2022 by Open Doors for severe Christian persecution. Abdul Hamid Mohammed Dbeibeh is a Libyan politician who is the current Prime Minister of Libya's interim Government of National Unity. Incumbent Mohamed al-Menfi has been the president since 15 March 2021. The Libyan Prime Minister suggested holding parliamentary elections at the end of 2022 and to start preparations for polls in June. Libya's government has been unstable for a decade. The situation for Christians in Libya changed drastically after the Gaddafi regime fell. The country fell into chaos, and weapons and Islamist ideologies flowed across the relaxed borders of Egypt. Islamist militia groups such as Ansar al-Sharia, the Nusra Front, and ISIS firmly embedded themselves in Libya and began to hunt down Christians. The world will never forget that on a beach ISIS beheaded Coptic Christians for their faith in Christ.
