PRAYER FOR THIS COUNTRY

Democratic members of the United States Congress are rallying against Saudi Arabia over oil production cuts, and calling on President Joe Biden to pressure the Gulf partner to reverse the decision. US representatives described the oil cuts as a hostile act against the United States and a clear signal that Saudi Arabia has chosen to side with Russia in its war against Ukraine. Three Democratic Congress members also introduced a bill seeking the removal of US troops and missile defense systems from Saudi Arabia. It highlights the growing frustration in Washington. Pray as US is trying to re-evaluate its relationship with the Saudis that an amicable solution is attained. Pray for a unified new way of collaboration with these countries to result in unity in the faith and in the knowledge of Jesus Christ (The Bible, Ephesians 4:3).
