Day 6

OCTOBER | 2023

PRAYER FOR THIS COUNTRY

Praise Report

Praise God that in spite of the radical political changes, the country of Guinea is relatively calm and peaceful. Pray that the transition government will respect God, and the people and protect this peace going into its future (The Bible, [Leviticus 19:32](#)).

Prayer Requests

We pray God's mighty anointing upon the evangelical Christian Believers numbering less than one percent and the Churches to wake up to address the needs and serve the country at large (The Bible, [Nehemiah 4:22](#)).

Pray that the government will have the wisdom to make wise decisions that protect the people from their hardship and also from the economic crisis the country is facing (The Bible, [Acts 7:10](#)).

Call to Salvation

Pray that the present political scenario will stir up Churches to actions of love and service in the community, and stir the hearts of those who don't know God to seek after the Lord Jesus Christ (The Bible, [1 Chronicles 16:10](#)).

MORE ABOUT THIS COUNTRY

Guinea, relatively a peaceful country, is jolted by the coups. Incumbent Mamady Doumbouya is the president since 1 October 2021. Incumbent Bernard Gomou is the prime minister since 17 July 2022. Experiments with socialism and a two-year rule by a junta have taken their toll on prospects for development. The 2010 election ushered in a decade of civilian rule but led to violent ethnic clashes as well. In addition, hundreds of thousands of refugees from Liberia and Sierra Leone have strained Guinea's struggling economy. The instability has generated

suspicion and ethnic tension – as well as accusations between neighbors of attempts at destabilization and border attacks. Muslim converts to Christianity fear family reactions and harassment by the extremists.
