PRAYER FOR THIS COUNTRY

Praise Report

Praise God that relative peace has been restored to the troubled region of Manipur where many people died in recent unrest. Praise God also for the prayer movement across India that stepped up to pray in the midst of the trials.

Prayer Requests

Pray that the attitudes of the president and government towards Christians in India will be transformed, increasing commitment to compassion and protection (The Bible, [Isaiah 30:18](#)).

Pray for the Church across India to be equipped to share the Gospel well, and in particular to grow in a commitment to reach the Muslim community in India (The Bible, [Matthew 9:37-38](#)).

Call to Salvation

We declare over this nation that Jesus is the way, truth, and life. We speak out God's abundant life that brings hope, security and peace that the people of India so desperately need (The Bible, [John 14:6](#)).

MORE ABOUT THIS COUNTRY

The world's second most populous country, India offers a vast array of languages and cultures. India gave birth to Hinduism but hosts the world's second-largest Muslim population. For the fourth year in a row, India is in the 2022 World Watch List's top 10 countries with the worst Christian persecution. There are extraordinary prayer initiatives and networks across India, praying both for India and for the nations of the world.
