OCTOBER | 2023

PRAYER FOR THIS COUNTRY

### Praise Report

Praise God for emergency medical treatment given by clinics in Jordan for those affected by the bombing from across the border. Pray for the wounded and sharing of God's love and comfort to them will happen (The Bible, [Proverbs 16:24](#)).

### Prayer Request

Pray that holding physical services in Amman will be permitted. Pray that they will be steadfast in their faith in Christ and will follow the Lord diligently (The Bible, [Romans 12:8](#)).

Pray for the followers of Christ from Muslim background experiencing strong opposition from their families and the society treating them as outcasts to stay rooted in their faith in Christ (The Bible, [Colossians 1:23](#)).

### Call to Salvation

Pray for God's power over the Christian Media to be effective in Jordan, specifically the Christian satellite TV and radio broadcasts. Pray that the refugees will hear the gospel and receive physical and emotional healing (The Bible, [Ephesians 4:12](#)).

### MORE ABOUT THIS COUNTRY

Although the country is ranking low, hostility toward Christian Believers has marginally increased. Millions of Jordanians are facing numerous problems in life such as the prices for food, fuel like petrol are constantly increasing. People who are working without any salary revisions find it very hard to survive with the meager money earned. They are under persisting problems financially and the poverty rate is steadily increasing. There is scarcity of water, food supplies and most needed resources. As the war is raging in the region, the challenge of sheltering and feeding the high influx of refugees from all sides is mounting. Millions of refugees from different conflict zones are trying to find refuge in Jordan. As life struggle goes on, the Christians few in number are under constant threat of persecution. They are trying all their best to keep themselves away from the hostile Muslim groups.
