PRAYER FOR THIS COUNTRY

### Praise Report

Praise God that people in Mongolia got to hear the Gospel this year. Thank God for the effective ministry of churches in this nation (The Bible, [1 Thessalonians 2:8](#)).

### Prayer Requests

The government was elected on the promise of bringing economic and social reforms. Pray that God will give them great wisdom to bring about changes necessary to bring blessing to the people (The Bible, [Genesis 49:26](#)).

While the Church has grown rapidly, the practice of ancient Shamanism has also experienced a resurgence. Pray that this spiritual stronghold will be uprooted (The Bible, [2 Corinthians 10:3-5](#)).

### Call to Salvation

Dear Lord, we ask You to call many to follow You in this nation. Show Yourself to be real and trustworthy (The Bible, [Psalm 145:13](#)).

### MORE ABOUT THIS COUNTRY

Mongolia lies between Russia and China and is a young democracy that affords religious freedom. Rich in natural resources, mining is a huge source of income resulting in a growing economy despite the harsh winters that threaten the traditional lifestyle and income of cattle farmers. In recent years, the Mongolian government has struggled with accusations of corruption and a people's protest movement grew demanding greater change. A third of Mongolia's population lives in the capital, Ulaanbaatar, while nearly half of the country's workforce is nomadic. In the last 30 years, the number of Christians has grown from a handful to more than 100,000. In Ulaanbataar alone, there are approximately 200 Churches. In addition, there are small gatherings of Christian Believers in every province, but few Christian workers are focused on church planting in rural and remote regions.
