OCTOBER | 2023

PRAYER FOR THIS COUNTRY

Prayer Request

We pray that consistent intercession of the people of God will break down the long-time barriers to the Gospel and many Tunisians will turn to Christ and have their lives changed completely (The Bible, [Leviticus 18:4](#)).

We pray that the great commission of Jesus Christ becomes real to the zealous Christian Believers in Tunisia to become powerful workers to reach the millions of the unreached people Tunisia (The Bible, [Mark 16:15](#)).

Call to Salvation

We pray for the anointing of the Holy Spirit upon the lives of Tunisian Christian Leaders to empower the Churches and strive hard to have a rich harvest of people accepting Christ in larger scale (The Bible, [Ephesians 6:7](#)).

MORE ABOUT THIS COUNTRY

Tunisians of the modern times are the descendants of indigenous Berbers and people from numerous civilizations that have invaded or migrated to Tunisia many years back. The Arab Spring has caused the country to have one of the most progressive and open societies in the Arab world. Today the Tunisians are frustrated with high unemployment, corruption, political oppression, and poor living conditions in the country. As people have started protesting the government had to make a number of changes. But it has made way for protests all across the Arab world. The new constitution has paved the way for progress in many avenues. The government is still struggling with huge challenges like unemployment of youth and dwindling economic status in the country. The Christian Believers are constantly facing widespread threatening situations. The security officers are continuously monitoring their gathering for worship.
