AUGUST | 2023

PRAYER FOR THIS COUNTRY

Praise Report

We praise God that despite unrelenting restrictions, Yemeni Christian Believers have found ways to meet together through social media and secret gatherings, the Church continues to grow, and more people are turning to Christ than ever before, seeking His help in their dire straits (The Bible, [Psalm 46:1](#)).

Prayer Request

We declare the Mercy of God upon more than 20 million people in the country. 80% of its population struggles to get enough food and water to survive the worst humanitarian crisis in the world (The Bible, [Job 36:15](#)).

Pray for more Evangelical Outreach programs to reach Yemen. Only 0.2% of its population knows and follows Christ. 99.7% of the population is Muslim. Increase the zeal in the hearts of the Christian Believers to witness Christ (The Bible, [Romans 1:15](#)).

Call to Salvation

We declare the Mercy of God and compassionate grace upon the Yemenis that they will endure the many hardships in life and receive enough providence to survive the severe famine and the pandemic by calling on the name of Jesus Christ in their distress (The Bible, [Psalm 116:4](#)).

MORE ABOUT THIS COUNTRY

Yemen jumped two places in the Persecution Index to finish third in 2023. The ongoing civil war opened new methods to discriminate and persecute Christians. The humanitarian aid distribution system operates through government-controlled mosques or Houthi-established camps. Both give preferential treatment to “devout Muslims” only. Indigenous Christians and Christian Converts cannot avail of this aid. Christian Believers face physical and sexual

torture for their beliefs. Al Qaeda and the remnants of the Islamic State also persecute Christian Believers in Yemen. Furthermore, young Christian girls face the constant threat of abduction and forced marriages to Muslim men.
